Dear Parent/Carer,

Meeting for those wishing to work in healthcare

I am delighted to invite you and your son/daughter to attend 'An Introduction to Healthcare' evening on **Wednesday 18th March 2009**. The event will run from 6:00pm until 7:30pm and will take place at our Blandford Street site.

During the evening we will be welcoming a large number of healthcare professionals to the school in order to showcase the wide variety of career opportunities within the healthcare industry and the support available from the school to enter these professions. Speakers will include various doctors and nurses, an optometrist, dentist, paramedic and physiotherapist. The evening will consist of a series of brief presentations, addressing the entry routes and career opportunities for the different professions. There will also be a question and answer session, as well as the opportunity to speak to the presenters informally.

I hope this will be an interesting and informative evening for all those students who are considering a career in any aspect of healthcare. It should provide a valuable insight into the requirements and expectations of those preparing for the application process. Additionally, the event should allow students the opportunity to reflect on their suitability for the healthcare industry.

In the future we will be running similar evenings for students wishing to work in other areas, such as the media, law, performing arts, mathematics/ICT etc. It is our hope that there will be one such careers evening every term.

I would be grateful if you could indicate on the form below if you will be attending the evening, and return it to the school reception by **Friday 27th February 2009**. If you have any questions concerning this event please do not hesitate to contact me (michelle.o'malley@stmarylebone.westminster.sch.uk).

Yours sincerely,

Ms M O'Malley
KS5 Pastoral Assistant
